## 280 Lots of Vintage Toys

Featuring a fantastic collection of VINDEX farm toys; mostly Near Mint condition. Also SUPER RARE cast iron including 125 pieces of ARCADE; many never seen before. KENTON, KILGORE, FREIDAG, MARX, and many others. CONDITION & RARITY combined make this an auction you won't want to miss, either in person, by absentee bid, or online with Ebay Live Auctioneers.

This sale will also be broadcast live online thru **Ebay Live Auctions**. As an Ebay Live bidder you can use your computer to participate in an auction from the comfort of your own home or office. Learn more by visiting [www.ebayliveauctions.com](http://www.ebayliveauctions.com) to register for this auction.

### Terms & Conditions:

All Sales Are Final. Every effort has been made to represent the sale items accurately thru photos & descriptions. You will be the final judge in bidding on an item in this sale. If you have any reservations/doubts about a sale item then please don't bid on it. It is the responsibility of the bidder to determine the condition, and therefore the value of lots offered in this

auction. A preview is provided prior to the actual auction. If you have questions please ask them during this time. The Auctioneer will determine the winner of all lots and will have the sole discretion of reopening a lot in case of a tie bid or unforeseen problem. We want this to be an enjoyable experience for you, and for us and to that end we will endeavor to accommodate any and all reasonable requests. **If You have any Questions about any item in this sale please contact Tom Pearson, Vintage Toy Consultant at 920-210-4101.** Any item purchased online will be shipped via USPS Priority Mail. Minimum shipping charge is \$20.00 and the prices will be adjusted according to each package shipped. The Shipping prices reflect the weight shipped, the distance that they are shipped, and the insurance amount. For more information you may log onto [www.usps.com](http://www.usps.com) for shipping rates and zone information. We will insure packages up to the Invoice amount.
