This radio is from WRJC 1270 AM on your Dial, it was produced for WRJC as an advertising promotion which was know as "The White Microphone" Promotion. If a sponsor purchased ads, he/she was given a "White Microphone" to use at their retail location. It served two purposes: To let the shopper know that the merchant was on the radio, and to promote the radio station. There is no tuning knob, in place of a conventional tuner it uses a crystal and coil to receive a station at 1270 kcs. The only control is a power/volume knob on the top. The Mike-Radio uses tubes and is in excellent working condition. Was Able to pull in some station but not sure what it was. 14" Excellent Condition
