553	NIB Lionel Rico Station # 6-32997, One of Lionel's favorite passenger stations has been transformed into an aluminum masterpiece. Taking inspiration from both the real station and Lionel's plastic model, the Aluminum Rico Station will make a bold statement on your layout. With embossed shingle and siding details, and decorative enhancements made from pewter, this station is a real head turner. Lit from within, the station will look as good with the lights out as it does with them on. Add this new passenger station to your layout today!
